## Packing checklist

- Each card sleeved (penny sleeve) and placed in a top loader or semi-rigid.
- Top loaders sealed with a small piece of painter's tape — no scotch tape directly on cards.

- Cards bundled together with team bags or a rubber band (not too tight).
- Bundle wrapped in bubble wrap, placed in a snug box — no rattle.
- Tracking and insurance purchased to declared value above.
- This packing slip enclosed inside the box.

## **Ship to**

Address provided after your submission is approved via email.  
Do not ship cards until you have received written confirmation.
